PERSONAL.—Among the passengers by the steamer Auraria, which sailed from New York for Liverpool today, was Dr. Arthur Snowden, who goes to London to take a special course in throat and eye diseases under Dr. Lennox Browne at the Throat Hospital, in London. He will be absent about three months, and upon his return will resume the practice of his profession in Washington.

Hon. John S. Barbour, accompanied by Mrs. Henry Daingerfield, Mr. and Mrs. Daingerfield, of this city, left here this morning for the St. Louis democratic convention.

Mrs. Kate U. Taylor and daughter, Mrs. A. E. Smoot, left today for St. Louis.

Miss Marion Arminger, of Baltimore, is visiting Miss Nellie Acton, on King street.

State Senator Henry Heaton, of Loudoun, was in the city today.

Mayor Shackelford, of Orange, is in the city today.

The Observer says that "Orange is blushing like a modest maiden with her first beau over the election of our genial and talented town-mayor, Major Thomas P. Wallace, as a delegate to the St. Louis convention. The honor could not have been conferred upon a more worthy and deserving gentleman."

Mr. W. W. Scott, secretary of the State democratic committee, last Saturday delivered a lecture at Gordonsville for the benefit of the Confederate cemetery there. The lecture, of that place, says the lecturer was a perfect success in everything except the matter of audience.

Rev. Arthur P. Gray has resigned the rectorship of Trinity Episcopal Church at Manassas and his resignation has been reluctantly accepted by the vestry of that church. He has accepted a call to Lewisburg, W. Va.

Mr. C. A. Heineken, of Prince William county, sailed today from Baltimore for Germany, which country he will make his home for the present at least.

THE LIGHTHOUSE KEEPER.—An effort is now being made to effect a change in the keeper of the lighthouse at Jones's Point, this city. Mr. Ben. Greenwood has held the position for a number of years, but now it is said that charges of offensive partisanship have been preferred against him, and several times democratic men after his position. Affidavits have been prepared setting forth that Mr. Greenwood, at several of the elections during the past few years, has not only been an active politician, but has gone so far as to hold tickets at the First ward polls and try to influence his friends to vote against the democratic nominees. On the other hand, Mr. Greenwood has gotten up a petition, to be forwarded to the Treasury Department, requesting his retention in office, which petition has been signed by several well known democrats of the city. The action of the latter in signing petitions to keep republicans in office has caused much comment, and murmurs against democratic inconsistency are heard among the workers among the party.

POLICE REPORT.—Last night was clear and cool with two prisoners and two lodgers at the station house.

The Mayor this morning disposed of the following cases:

A. J. Morris, arrested by officer Taylor for vagrancy, was ordered to leave the city.

Talcaz Tate, colored, arrested by officer Henry for stealing flowers from the yard of a gentleman on south Washington street had his case continued.

Georgeanna Acey, Charlotte Acey and Addie Markwood, charged with disorderly conduct, were fined 75 cents each.

PROPERTY SALES.—Mr. R. T. Lucas, auctioneer, sold today at public auction, for Mr. M. B. Harlow, commissioner, a lot of ground on the south side of Duke, between Columbus and Alfred streets, 40 feet front by 115 feet deep, to Mr. B. M. Burroughs for \$1,100.

Four parcels of real estate belonging to the estate of Thos. Devitt, deceased, advertised for sale today, were withdrawn.

Mr. J. R. Caton and others have sold to Mr. J. C. Smoot, the brick stable and lot, twenty feet front, on the south side of Duke street, between St. Asaph and Washington for \$225.

SENT TO JAIL.—A warrant was issued by Justice Nauk of the county on the 21st ult., against James Young, colored, charging him with attempting to commit an outrageous assault upon Mary Jane Simons, also colored, a few days previously, while the two were walking together in the county near the girl's home. Today Young delivered himself to the authorities and the trial came in this city before Judge Stuart appeared for the Commonwealth, and Messrs. F. L. Smith and J. H. Greene for the defendant. After several witnesses had been examined Young was sent to jail to await the action of the grand jury.

New UNIFORMS.—Yesterday being the first of June the members of the police force and the letter carriers appeared in their new spring uniforms. The uniforms of the police force consist of dark blue sack coats and pants, white vests and light colored straw hats, bound with light cords. The uniform of the letter carriers consists of regular gray suits of light material, bound with black, and light colored straw hats. The uniforms of both are neat and becoming.

Special mail service was put on the morning and evening trains between Alexandria and Hamilton yesterday.

JESUIT PROVINCIAL APPOINTED.—The Rev. Thomas J. Campbell, president of St. John's College at Fordham, N. Y., has been appointed provincial of the Jesuits of the New York province, to succeed the Rev. R. F. Patton. The district embraces Maryland, Virginia, District of Columbia, Pennsylvania, New York, New Jersey and Delaware. The new provincial is about 40 years of age and is quite a talented man.

MR. ROYALL AND THE COUPON SUITS.—The statement which appeared in the local columns of the GAZETTE, of Thursday last, that in the coupon suits Mr. Royall would appear for those only who held Mr. Cooper's guaranty, was, as we now learn from Mr. Royall himself, erroneous. He proposes to defend suits brought against all parties who have tendered coupons, unless they shall instruct him not to do so.

APPOINTMENT.—Dr. H. M. Clarkson, of Prince William county, has been appointed by Secretary of the Treasury Fairchild, an acting assistant surgeon in the U. S. Marine hospital at Cape Charles, Quarantine station, Virginia. Surgeon General Hamilton has assigned Dr. Clarkson to the steamer J. M. Woodworth for duty at that station.

I have not used all of one bottle yet. I suffered from catarrh for twelve years, experiencing the most excruciating pain in the throat, peculiar to that disease, and nose bleed almost daily. I tried various remedies without benefit until last April, when I saw Ely's Cream Balm advertised in the Boston Budget, I procured a bottle, and since the first days' use have had no more bleeding—the soreness is entirely gone.
